

NETWORK RELIABILITY ENGINEERING

A complex network diagram with nodes and connections, overlaid on a background with horizontal color bands (blue, dark blue, green, dark green). The nodes are represented by circles of varying sizes, and the connections are thin lines. The overall aesthetic is technical and modern.

Diogo Montagner, Juniper Networks

5-STEP JOURNEY

DESTINATION

People:
Network Reliability Engineers (NRE)

Process:
DevNetOps And NRE'ing

Technology:
Self-Driving Network
